FOURTH INFORMATION DISCLOSURE STATEMENT

In a recent filing of a divisional application to the non-elected subject matter of this application, the undersigned noticed that the file copy of the publication. "Specialty Additives & Intermediates-Foaming Agents" was missing page 7 and that the first word for that reference in the listing should read "UNIROYAL" not "IMORPYAL". Inclosed is a full copy of that publication and a substitute form 1449B correcting the description.

This statement is filed under Patent and Trademark Rules of Practice 1.97 and 1.98 and shall not be construed as a representation that a search has been made or that no better art exists. A citation of background art in this document is not intended to imply that such art will be cited at other stages of the prosecution of this application.

Respectfully submitted,
Michael John Dixon et al.
